

Boogie Board™

JOT 8.5

SAY GOODBYE TO PAPER

Say goodbye to paper and hello to the new Boogie Board Jot LCD eWriter, the eco-friendly electronic writing and drawing medium for style-conscious consumers. Write down quick ideas or create to-do lists — anything you don't need to keep forever — without wasting a single sticky note.

LCD eWriter

A contemporary metallic design available with red, blue and graphite accents

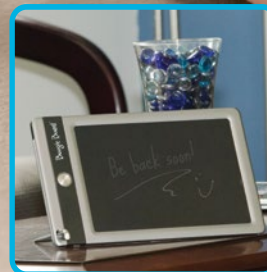

Soft-touch back to provide grip and stability

Tapered stylus that doubles as a kickstand for horizontal viewing (great for leaving messages on the kitchen counter)

Built-in magnets for mounting to refrigerators, filing cabinets and other metallic surfaces

NOTES
